

We Achieved GuideStar Platinum!

We are honored to share that Children's Cancer Association is one of the first organizations to be recognized by GuideStar, the nation's premier nonprofit database, as a Platinum level charity for our strong commitment to fiscal health and transparency. **Less than 0.5% of participating non-profits worldwide have achieved this special distinction.**

We are proud to use GuideStar Platinum to demonstrate our commitment to measuring our progress and sharing our results. As a GuideStar Platinum participant, we will bring you even more information about the impact we achieve together – delivering innovative, results driven programs with measurable impacts to improve the quality of life for seriously ill children and teens everywhere.
