Children's Cancer Associations' Maxims:

We believe kids deserve long, wonderful lives.

Or, at the very least, short, wonderful lives. **We believe cancer sucks.** We've had it, or loved someone who did. **We prescribe moments of joy for kids who are in the fight against all serious illness.** We create lasting memories for the loved ones who stand beside them. **We believe joy grows exponentially when it's used collectively.** We are surrounded by a league of extraordinary heroes who perform amazing feats of compassion, generosity, and love every day. **We are music medicine pioneers.** We believe in purple. **We know joy comes in all colors, shapes, and sizes – just like the kids who need our help.** We love to laugh. **We are not afraid to cry.** We spend every dollar wisely. **We give hugs freely.** We believe in today. **We respect our history as a grassroots organization.** We embrace our destiny as a global source of [JoyRx](#). **We believe these things matter.**
